Attention: Ms. Artoria Dee Frazier, President

Dear Ms. Frazier:

On behalf of the students, staff and administration of P.S. 288, I would like to thank you and your organization for all the grade appropriate school supplies you donated to every child in Grades Pre-Kindergarten to Grade 8 on September 11, 2013.

Not only did you distribute school supplies, but you also donated healthy snacks and juices to every child. In addition, you awarded each of our fifteen honor roll students with \$10 to open a savings account at TD Bank.

You have demonstrated to our students that you are another entity that encourages them in their academic growth and success.

We thank you again for your support.

Sincerely,

C. Denise Lambert  
Assistant Principal
